Caspr2 Antibody [DyLight 550]

| Product Information         |                                                                                                                    |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                             |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                        |
| Storage                     | Store at 4C in the dark.                                                                                           |
| Clonality                   | Polyclonal                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                 |
| Isotype                     | IgG                                                                                                                |
| Conjugate                   | DyLight 550                                                                                                        |
| Purity                      | Antigen and protein A Affinity-purified                                                                            |
| Buffer                      | 50mM Sodium Borate                                                                                                 |
| Product Description         |                                                                                                                    |
| Host                        | Rabbit                                                                                                             |
| Gene ID                     | 26047                                                                                                              |
| Gene Symbol                 | CNTNAP2                                                                                                            |
| Species                     | Mouse                                                                                                              |
| Immunogen                   | Produced in rabbits immunized with purified, recombinant Mouse Caspr2 (Accession#: NP_001004357.2; Met 1-Ser 1262) |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                  |
| Product Application Details |                                                                                                                    |
| Applications                | ELISA                                                                                                              |
| Recommended Dilutions       | ELISA                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                             |
