NKX1-2 Antibody [Janelia Fluor® 646]

| Product Information         |                                                                                                             |
|-----------------------------|-------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                 |
| Storage                     | Store at 4C in the dark.                                                                                    |
| Clonality                   | Polyclonal                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                          |
| Isotype                     | IgG                                                                                                         |
| Conjugate                   | Janelia Fluor 646                                                                                           |
| Purity                      | Antigen and protein A Affinity-purified                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                                          |
| Product Description         |                                                                                                             |
| Host                        | Rabbit                                                                                                      |
| Gene ID                     | 390010                                                                                                      |
| Gene Symbol                 | NKX1-2                                                                                                      |
| Species                     | Mouse                                                                                                       |
| Immunogen                   | Produced in rabbits immunized with a synthetic peptide corresponding to the N-terminus of the Mouse NKX1-2. |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                       |
| Product Application Details |                                                                                                             |
| Applications                | Western Blot, Immunoprecipitation                                                                           |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                      |
