## NBP2-99366DL594

Plastin L Antibody [DyLight 594]

| Plastin L Antibody [DyLight 594] |   |
|----------------------------------|---|
| Product Information              |   |
| Unit Size                        | 0.1 ml  |
| Concentration                    | Please see the vial label for concentration. If unlisted please contact technical services.                       |
| Storage                          | Store at 4C in the dark.  |
| Clonality                        | Polyclonal  |
| Preservative                     | 0.05% Sodium Azide  |
| Isotype                          | IgG   |
| Conjugate                        | DyLight 594   |
| Purity                           | Antigen and protein A Affinity-purified   |
| Buffer                           | 50mM Sodium Borate  |
| Product Description              |   |
| Host                             | Rabbit  |
| Gene ID                          | 3936  |
| Gene Symbol                      | LCP1  |
| Species                          | Human   |
| Immunogen                        | Produced in rabbits immunized with a synthetic peptide corresponding to the center region of the Human Plastin L. |
| Notes                            | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                 |
| Product Application Details      |   |
| Applications                     | Western Blot, Immunocytochemistry/Immunofluorescence, Immunoprecipitation   |
| Recommended Dilutions            | Western Blot, Immunocytochemistry/Immunofluorescence, Immunoprecipitation   |
| Application Notes                | Optimal dilution of this antibody should be experimentally determined.  |
|                                  |   |
