## NBP2-99458FR

ATP6V1C1 Antibody [Dvl ight 680]

| ATP6V1C1 Antibody [DyLight         | [ 08U]   |
|------------------------------------|--|
| Product Information                |  |
| Unit Size                          | 0.1 ml   |
| Concentration                      | Please see the vial label for concentration. If unlisted please contact technical services.                      |
| Storage                            | Store at 4C in the dark.   |
| Clonality                          | Polyclonal   |
| Preservative                       | 0.05% Sodium Azide   |
| Isotype                            | IgG  |
| Conjugate                          | DyLight 680  |
| Purity                             | Antigen and protein A Affinity-purified  |
| Buffer                             | 50mM Sodium Borate   |
| <b>Product Description</b>         |  |
| Host                               | Rabbit   |
| Gene ID                            | 528  |
| Gene Symbol                        | ATP6V1C1   |
| Species                            | Human  |
| Immunogen                          | Produced in rabbits immunized with a synthetic peptide corresponding to the center region of the Human ATP6V1C1. |
| Notes                              | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                |
| <b>Product Application Details</b> |  |
| Applications                       | Western Blot, Immunoprecipitation  |
| Recommended Dilutions              | Western Blot, Immunoprecipitation  |
| Application Notes                  | Option of dilution of this antihody about his available available determined                                     |

| • •                   |  |
|-----------------------|--|
| Applications          | Western Blot, Immunoprecipitation                                      |
| Recommended Dilutions | Western Blot, Immunoprecipitation                                      |
| Application Notes     | Optimal dilution of this antibody should be experimentally determined. |
|                       |  |
|                       |  |
