## NBP2-99686PE

**Application Notes** 

CKII alpha prime polypeptide Antibody [PE]

| CKII alpha prime polypepilde Antibody [PE] |  |
|--|--|
| Product Information                        |  |
| Unit Size                                  | 0.1 ml   |
| Concentration                              | Please see the vial label for concentration. If unlisted please contact technical services.  |
| Storage                                    | Store at 4C in the dark.   |
| Clonality                                  | Polyclonal   |
| Preservative                               | 0.05% Sodium Azide   |
| Isotype                                    | IgG  |
| Conjugate                                  | PE   |
| Purity                                     | Antigen and protein A Affinity-purified  |
| Buffer                                     | PBS  |
| Product Description                        |  |
| Host                                       | Rabbit   |
| Gene ID                                    | 1459   |
| Gene Symbol                                | CSNK2A2  |
| Species                                    | Human  |
| Specificity/Sensitivity                    | Human CSNK2A2  |
| Immunogen                                  | Produced in rabbits immunized with purified, recombinant Human CKII alpha prime polypeptide (Accession#: NP_001887.1; Met1-Arg350) |
| Product Application Details                |  |
| Applications                               | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunoprecipitation   |
| Recommended Dilutions                      | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunoprecipitation   |
| 4  |  |

Optimal dilution of this antibody should be experimentally determined.
