**NBP2-99755APC**

Carboxypeptidase M Antibody [Allophycocyanin]

| Product Information         |                                                                                                                          |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                              |
| Storage                     | Store at 4C in the dark.                                                                                                 |
| Clonality                   | Polyclonal                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                       |
| Isotype                     | IgG                                                                                                                      |
| Conjugate                   | Allophycocyanin                                                                                                          |
| Purity                      | Antigen and protein A Affinity-purified                                                                                  |
| Buffer                      | PBS                                                                                                                      |
| Product Description         |                                                                                                                          |
| Host                        | Rabbit                                                                                                                   |
| Gene ID                     | 1368                                                                                                                     |
| Gene Symbol                 | CPM                                                                                                                      |
| Species                     | Human                                                                                                                    |
| Immunogen                   | Produced in rabbits immunized with purified, recombinant Human Carboxypeptidase M (Accession#: NP_938079.1; Met1-His422) |
| Product Application Details |                                                                                                                          |
| Applications                | ELISA, Immunohistochemistry-Paraffin                                                                                     |
| Recommended Dilutions       | ELISA, Immunohistochemistry-Paraffin                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                   |
