FHIT Antibody [PE]

| Product Information         |                                                                                                       |
|-----------------------------|-------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.           |
| Storage                     | Store at 4C in the dark.                                                                              |
| Clonality                   | Polyclonal                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                    |
| Isotype                     | IgG                                                                                                   |
| Conjugate                   | PE                                                                                                    |
| Purity                      | Antigen and protein A Affinity-purified                                                               |
| Buffer                      | PBS                                                                                                   |
| Product Description         |                                                                                                       |
| Host                        | Rabbit                                                                                                |
| Gene ID                     | 2272                                                                                                  |
| Gene Symbol                 | FHIT                                                                                                  |
| Species                     | Human                                                                                                 |
| Immunogen                   | Produced in rabbits immunized with purified, recombinant Human FHIT (Accession#: P49789; Met1-Gln147) |
| Product Application Details |                                                                                                       |
| Applications                | ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                          |
| Recommended Dilutions       | ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                |
