MARCKS Antibody [Janelia Fluor® 646]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG1                                                                                        |
| Conjugate                   | Janelia Fluor 646                                                                           |
| Purity                      | Immunogen affinity purified                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                          |
| Product Description         |                                                                                             |
| Host                        | Mouse                                                                                       |
| Gene ID                     | 4082                                                                                        |
| Gene Symbol                 | MARCKS                                                                                      |
| Species                     | Human, Monkey                                                                               |
| Immunogen                   | Full length human MARCKS expressed in and purified from E. coli.                            |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.       |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                  |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/Immunofluorescence                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
