| Isotype                     | IgG2a                                                                                                                                                                                                            |
| Conjugate                   | PerCP                                                                                                                                                                                                            |
| Purity                      | Protein A purified                                                                                                                                                                                               |
| Buffer                      | PBS                                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                                  |
| Host                        | Mouse                                                                                                                                                                                                            |
| Gene ID                     | 1650                                                                                                                                                                                                             |
| Gene Symbol                 | DDOST                                                                                                                                                                                                            |
| Species                     | Human                                                                                                                                                                                                            |
| Reactivity Notes            | No cross-reactivity in ELISA with:<br/><br/>E.coli cell lysate                                                                                                                                                   |
| Specificity/Sensitivity     | No cross-reactivity in ELISA with:<br><br>E.coli cell lysate                                                                                                                                                     |
| Immunogen                   | This antibody was produced from a hybridoma resulting from the fusion of a mouse myeloma with B cells obtained from a mouse immunized with purified, recombinant Human DDOST (Uniprot#: P39656-1; Ser43-Pro427). |
| Product Application Details |                                                                                                                                                                                                                  |
| Applications                | ELISA                                                                                                                                                                                                            |
| Recommended Dilutions       | ELISA                                                                                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                           |
