| Host                        | Mouse                                                                                                                                                                                                              |
| Gene ID                     | 6318                                                                                                                                                                                                               |
| Gene Symbol                 | SERPINB4                                                                                                                                                                                                           |
| Species                     | Human                                                                                                                                                                                                              |
| Immunogen                   | This antibody was produced from a hybridoma resulting from the fusion of a mouse myeloma with B cells obtained from a mouse immunized with purified, recombinant Human SERPINB4 (Uniprot#: P48594; Met 1-Pro 390). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                  |
| Product Application Details |                                                                                                                                                                                                                    |
| Applications                | ELISA                                                                                                                                                                                                              |
| Recommended Dilutions       | ELISA                                                                                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                             |
