**NBP3-06011-50ul**

WSCD2 Antibody - BSA Free

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 50 ul                                                                                       |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| <b>Clonality</b>     | Polyclonal                                                                                  |
| <b>Preservative</b>  | 0.03% Proclin 300                                                                           |
| <b>Isotype</b>       | IgG                                                                                         |
| <b>Purity</b>        | Antigen and protein A Affinity-purified                                                     |
| <b>Buffer</b>        | PBS                                                                                         |

**Product Description**

|                    |                                                                                                                                                                                                                             |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | This antibody can be stored at 2C-8C for one month without detectable loss of activity. Antibody products are stable for twelve months from date of receipt when stored at -20C to -80C. Avoid repeated freeze-thaw cycles. |
| <b>Host</b>        | Rabbit                                                                                                                                                                                                                      |
| <b>Gene ID</b>     | 9671                                                                                                                                                                                                                        |
| <b>Gene Symbol</b> | WSCD2                                                                                                                                                                                                                       |
| <b>Species</b>     | Human                                                                                                                                                                                                                       |
| <b>Immunogen</b>   | Produced in rabbits immunized with E. coli-derived Human WSCD2 fragment.                                                                                                                                                    |

**Product Application Details**

|                              |                                          |
|------------------------------|------------------------------------------|
| <b>Applications</b>          | Immunohistochemistry-Paraffin            |
| <b>Recommended Dilutions</b> | Immunohistochemistry-Paraffin 1:50-1:200 |

## Images

Immunohistochemistry-Paraffin: WSCD2 Antibody [NBP3-06011] -  
Immunochemical staining of human WSCD2 in human liver with rabbit  
polyclonal antibody at 1:100 dilution, formalin-fixed paraffin embedded  
sections.

Immunohistochemistry-Paraffin: WSCD2 Antibody [NBP3-06011] -  
Immunochemical staining of human WSCD2 in human kidney with rabbit  
polyclonal antibody at 1:100 dilution, formalin-fixed paraffin embedded  
sections.
