| Purity                      | Protein A purified                                                                                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                                                          |
| Product Description         |                                                                                                                                                                                                              |
| Host                        | Mouse                                                                                                                                                                                                        |
| Gene ID                     | 11060                                                                                                                                                                                                        |
| Gene Symbol                 | WWP2                                                                                                                                                                                                         |
| Species                     | Human                                                                                                                                                                                                        |
| Reactivity Notes            | No cross-reactivity in ELISA with:<br/><br/>E. coli cell lysate                                                                                                                                              |
| Specificity/Sensitivity     | No cross-reactivity in ELISA with:<br><br>E. coli cell lysate                                                                                                                                                |
| Immunogen                   | This antibody was produced from a hybridoma resulting from the fusion of a mouse myeloma with B cells obtained from a mouse immunized with purified, recombinant Human WWP2 (Uniprot#: O00308; Met1-Glu870). |
| Product Application Details |                                                                                                                                                                                                              |
| Applications                | ELISA                                                                                                                                                                                                        |
| Recommended Dilutions       | ELISA                                                                                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                       |
