| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                              |
| Isotype                     | IgG1                                                                                                                                                                                                            |
| Conjugate                   | DyLight 755                                                                                                                                                                                                     |
| Purity                      | Protein A purified                                                                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                                 |
| Host                        | Mouse                                                                                                                                                                                                           |
| Gene ID                     | 54749                                                                                                                                                                                                           |
| Gene Symbol                 | EPDR1                                                                                                                                                                                                           |
| Species                     | Human                                                                                                                                                                                                           |
| Immunogen                   | This antibody was produced from a hybridoma resulting from the fusion of a mouse myeloma with B cells obtained from a mouse immunized with purified, recombinant Human EPDR1 (Uniprot#: Q9UM22-1; Met1-Trp224). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                               |
| Product Application Details |                                                                                                                                                                                                                 |
| Applications                | ELISA                                                                                                                                                                                                           |
| Recommended Dilutions       | ELISA                                                                                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                          |
