| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| Clonality           | Polyclonal                                                                                  |
| Preservative        | 0.03% Proclin 300                                                                           |
| Isotype             | IgG                                                                                         |
| Purity              | Antigen and protein A Affinity-purified                                                     |
| Buffer              | PBS                                                                                         |

| Product Description |                                                                                                                                                                                                                             |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | This antibody can be stored at 2C-8C for one month without detectable loss of activity. Antibody products are stable for twelve months from date of receipt when stored at -20C to -80C. Avoid repeated freeze-thaw cycles. |
| Host                | Rabbit                                                                                                                                                                                                                      |
| Gene ID             | 221545                                                                                                                                                                                                                      |
| Gene Symbol         | C6orf136                                                                                                                                                                                                                    |
| Species             | Human                                                                                                                                                                                                                       |
| Immunogen           | Produced in rabbits immunized with E. coli-derived Human C6orf136 fragment.                                                                                                                                                 |

| Product Application Details |                                            |
|-----------------------------|--------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin              |
| Recommended Dilutions       | Immunohistochemistry-Paraffin 1:200-1:1000 |

## Images

Immunohistochemistry-Paraffin: C6orf136 Antibody [NBP3-06307] -  
Immunochemical staining of human C6orf136 in human liver with rabbit  
polyclonal antibody at 1:500 dilution, formalin-fixed paraffin embedded  
sections.

Immunohistochemistry: C6orf136 Antibody [NBP3-06307] -  
Immunochemical staining of human C6orf136 in human kidney with  
rabbit polyclonal antibody at 1:500 dilution, formalin-fixed paraffin  
embedded sections.
