MOB4A/MOBKL1B Antibody (01) [Allophycocyanin]

| Product Information         |                                                                                                                                   |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                       |
| Storage                     | Store at 4C in the dark.                                                                                                          |
| Clonality                   | Monoclonal                                                                                                                        |
| Clone                       | 01                                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                                |
| Isotype                     | IgG2a                                                                                                                             |
| Conjugate                   | Allophycocyanin                                                                                                                   |
| Purity                      | Protein A purified                                                                                                                |
| Buffer                      | PBS                                                                                                                               |
| Product Description         |                                                                                                                                   |
| Host                        | Mouse                                                                                                                             |
| Gene ID                     | 92597                                                                                                                             |
| Gene Symbol                 | MOB1B                                                                                                                             |
| Species                     | Human                                                                                                                             |
| Immunogen                   | This antibody was obtained from a mouse immunized with purified, recombinant Human MOB4A/MOBKL1B (Uniprot#: Q7L9L4; Met1-Arg216). |
| Product Application Details |                                                                                                                                   |
| Applications                | Immunocytochemistry/Immunofluorescence                                                                                            |
| Recommended Dilutions       | Immunocytochemistry/Immunofluorescence                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                            |
