| Clonality                   | Monoclonal                                                                                                                                                                                                    |
| Clone                       | 01                                                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                            |
| Isotype                     | IgG1                                                                                                                                                                                                          |
| Conjugate                   | Biotin                                                                                                                                                                                                        |
| Purity                      | Protein A purified                                                                                                                                                                                            |
| Buffer                      | PBS                                                                                                                                                                                                           |
| Product Description         |                                                                                                                                                                                                               |
| Host                        | Mouse                                                                                                                                                                                                         |
| Gene ID                     | 27335                                                                                                                                                                                                         |
| Gene Symbol                 | EIF3K                                                                                                                                                                                                         |
| Species                     | Human                                                                                                                                                                                                         |
| Immunogen                   | This antibody was produced from a hybridoma resulting from the fusion of a mouse myeloma with B cells obtained from a mouse immunized with purified, recombinant Human eIF3K (Uniprot#: Q9UBQ5; Ala2-Gln218). |
| Product Application Details |                                                                                                                                                                                                               |
| Applications                | Immunocytochemistry/Immunofluorescence                                                                                                                                                                        |
| Recommended Dilutions       | Immunocytochemistry/Immunofluorescence                                                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                        |
