Human IgG3 Lambda Isotype Control [PE/Cy5.5]

Human igG3 Lambda isotype Control [PE/Cy5.5]	
Product Information	
0.1 ml	
Please contact technical services for concentration.	
Store at 4C in the dark. Do not freeze.	
Polyclonal	
0.05% Sodium Azide	
IgG3 Lambda	
PE/Cy5.5	
>90%	
PBS	
Product Description	
Human	
Human	
Product was purified via a combination of chromatography and/or precipitation methods.	
Human myeloma serum	
Product Application Details	
Control	
Control	
Optimal dilution of this antibody should be experimentally determined. For optimal results using our Tandem dyes, please avoid prolonged exposure to light or extreme temperature fluctuations. These can lead to irreversible degradation or decoupling. When staining intracellular targets, specific attention to the fixation and permeabilization steps in your flow protocol may be required. Please contact our technical support team at technical@novusbio.com if you have any questions.
