| <b>Conjugate</b>                   | Allophycocyanin                                                                                                                                                                                                                             |
| <b>Purity</b>                      | Peptide affinity purified                                                                                                                                                                                                                   |
| <b>Buffer</b>                      | PBS                                                                                                                                                                                                                                         |
| <b>Product Description</b>         |                                                                                                                                                                                                                                             |
| <b>Host</b>                        | Rabbit                                                                                                                                                                                                                                      |
| <b>Species</b>                     | SARS-CoV-2                                                                                                                                                                                                                                  |
| <b>Immunogen</b>                   | This antibody was raised against a peptide corresponding to 14 amino acids near the amino terminus of SARS-CoV-2 (COVID-19) ORF9b protein. The immunogen is located in the first 50 amino acids of the SARS-CoV-2 (COVID-19) ORF9b protein. |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                             |
| <b>Applications</b>                | Western Blot, ELISA                                                                                                                                                                                                                         |
| <b>Recommended Dilutions</b>       | Western Blot, ELISA                                                                                                                                                                                                                         |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                      |
