| <b>Conjugate</b>                   | Allophycocyanin                                                                                                                                                                                                                                             |
| <b>Purity</b>                      | Peptide affinity purified                                                                                                                                                                                                                                   |
| <b>Buffer</b>                      | PBS                                                                                                                                                                                                                                                         |
| <b>Product Description</b>         |                                                                                                                                                                                                                                                             |
| <b>Host</b>                        | Rabbit                                                                                                                                                                                                                                                      |
| <b>Gene ID</b>                     | 43740578                                                                                                                                                                                                                                                    |
| <b>Gene Symbol</b>                 | ORF1ab                                                                                                                                                                                                                                                      |
| <b>Species</b>                     | SARS-CoV-2                                                                                                                                                                                                                                                  |
| <b>Reactivity Notes</b>            | Predicted reactivity based on immunogen sequence: SARS-CoV NSP13 (Helicase) protein: (80%)                                                                                                                                                                  |
| <b>Immunogen</b>                   | This antibody was raised against a peptide corresponding to 19 amino acids near the carboxyl terminus of the SARS-CoV-2 (COVID-19) NSP13 (Helicase) protein. The immunogen is located in the last 50 amino acids of SARS-CoV-2 (COVID-19) NSP13 (Helicase). |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                                             |
| <b>Applications</b>                | ELISA, Immunohistochemistry                                                                                                                                                                                                                                 |
| <b>Recommended Dilutions</b>       | ELISA, Immunohistochemistry                                                                                                                                                                                                                                 |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                      |
