Draduat Application Dataila	evided under an intellectual property license from The purchase of this product conveys to the to use the purchased product and components conducted by the buyer (whether the buyer is an e sale of this product is expressly conditioned on or its components, or any materials made using any activity to generate revenue, which may of the product or its components: (i) in service, information, or data in return for agnostic or prophylactic purposes; or (iv) for ey are resold for use in research. For information product for purposes other than as described as Corporation, 5791 Van Allen Way, Carlsbad, elifetech.com. This conjugate is made on any from the stated volume of this product. The qual to the unit size stated on the datasheet.

Product Application Details	
Applications	Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin
Recommended Dilutions	Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin
Application Notes	Optimal dilution of this antibody should be experimentally determined.
