Th-POK Antibody (PCRP-ZBTB7B-1B6) [FITC]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 100 ul                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | PCRP-ZBTB7B-1B6                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG2b                                                                                       |
| Conjugate                   | FITC                                                                                        |
| Purity                      | Protein A or G purified                                                                     |
| Buffer                      | PBS                                                                                         |
| Product Description         |                                                                                             |
| Host                        | Mouse                                                                                       |
| Gene ID                     | 51043                                                                                       |
| Gene Symbol                 | ZBTB7B                                                                                      |
| Species                     | Human                                                                                       |
| Immunogen                   | Recombinant full-length human Th-POK protein (Uniprot: O15156)                              |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Protein Array         |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Protein Array         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
