Renalase Antibody (RNLS/1940) [DyLight 594]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | RNLS/1940                                                                                   |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b Kappa                                                                                 |
| Conjugate           | DyLight 594                                                                                 |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                            |
| Gene ID             | 55328                                                                                                            |
| Gene Symbol         | RNLS                                                                                                             |
| Species             | Human                                                                                                            |
| Marker              | Renal Cell Marker                                                                                                |
| Immunogen           | Recombinant human Renalase protein fragment (around aa 34-235) (exact sequence is proprietary) (Uniprot: Q5VYX0) |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA                                                                  |
| Recommended Dilutions       | ELISA                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
