GTF2IRD2 Antibody (PCRP-GTF2IRD2-1B12) [Janelia Fluor® 646]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | PCRP-GTF2IRD2-1B12                                                                          |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | Janelia Fluor 646                                                                           |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                       |
|---------------------|---------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                 |
| Gene ID             | 84163                                                                                 |
| Gene Symbol         | GTF2IRD2                                                                              |
| Species             | Human                                                                                 |
| Immunogen           | Recombinant full-length human GTF2IRD2 protein (Uniprot: Q86UP8)                      |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Flow Cytometry, Protein Array                            |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Protein Array                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
