PMEL17/SILV Antibody (PMEL/2037) [Janelia Fluor® 549]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | PMEL/2037                                                                                   |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | Janelia Fluor 549                                                                           |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                    |
|---------------------|--------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                              |
| Gene ID             | 6490                                                                                                               |
| Gene Symbol         | PMEL                                                                                                               |
| Species             | Human                                                                                                              |
| Marker              | Melanoma Marker                                                                                                    |
| Immunogen           | A recombinant fragment (around aa 376-502) of human SILV protein (exact sequence is proprietary) (Uniprot: P40967) |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                              |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunohistochemistry-Paraffin, Protein Array      |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry-Paraffin, Protein Array      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
