NKX2.2 Antibody (NX2/2198R) [DyLight 405]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | NX2/2198R                                                                                   |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | DyLight 405                                                                                 |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                       |
| Gene ID             | 4821                                                                                                         |
| Gene Symbol         | NKX2-2                                                                                                       |
| Species             | Human                                                                                                        |
| Marker              | Neuroendocrine & Ewing's Sarcoma Marker                                                                      |
| Immunogen           | Recombinant human NKX2.2 protein fragment (around aa1-119) (exact sequence is proprietary) (Uniprot: O95096) |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                            |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin                                          |
| Recommended Dilutions       | Immunohistochemistry-Paraffin                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
