Siglec-1/CD169 Antibody (HSn 7D2) [Janelia Fluor® 646]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | HSn 7D2                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | Janelia Fluor 646                                                                           |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                       |
| Gene ID             | 6614                                                                                        |
| Gene Symbol         | SIGLEC1                                                                                     |
| Species             | Human                                                                                       |
| Immunogen           | Fc fusion protein containing N-terminal 4 domains of human Siglec-1/CD169. (Uniprot: Q9ZZ2) |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.       |

| Product Application Details |                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                    |
