NKX3.1 Antibody (NKX3.1/3347) [FITC]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | NKX3.1/3347                                                                                 |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b Kappa                                                                                 |
| Conjugate           | FITC                                                                                        |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | PBS                                                                                         |

| Product Description |                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                           |
| Gene ID             | 4824                                                                                                            |
| Gene Symbol         | NKX3-1                                                                                                          |
| Species             | Human                                                                                                           |
| Marker              | Metastatic Prostate Adenocarcinoma Marker                                                                       |
| Immunogen           | Recombinant fragment(around aa 92-224) of humanNKX3.1 protein (exact sequence is proprietary) (Uniprot: Q99801) |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Immunohistochemistry-Paraffin, Protein Array                    |
| Recommended Dilutions       | ELISA, Immunohistochemistry-Paraffin, Protein Array                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
