**NBP3-08828H****Uroplakin Ia Antibody (UPK1A/2924) [HRP]**

| <b>Product Information</b> |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 100 ul                                                                                      |
| <b>Concentration</b>       | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>           | Monoclonal                                                                                  |
| <b>Clone</b>               | UPK1A/2924                                                                                  |
| <b>Preservative</b>        | No Preservative                                                                             |
| <b>Isotype</b>             | IgG2b Kappa                                                                                 |
| <b>Conjugate</b>           | HRP                                                                                         |
| <b>Purity</b>              | Protein A or G purified                                                                     |
| <b>Buffer</b>              | PBS                                                                                         |

| <b>Product Description</b> |                                                                                                                                  |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>                | Mouse                                                                                                                            |
| <b>Gene ID</b>             | 11045                                                                                                                            |
| <b>Gene Symbol</b>         | UPK1A                                                                                                                            |
| <b>Species</b>             | Human                                                                                                                            |
| <b>Marker</b>              | Urothelial Differentiation Marker                                                                                                |
| <b>Immunogen</b>           | Recombinant fragment (around aa 114-173) of human Uroplakin Ia (UPK1A) protein (exact sequence is proprietary) (Uniprot: O00322) |

| <b>Product Application Details</b> |                                                                        |
|------------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>                | ELISA, Protein Array                                                   |
| <b>Recommended Dilutions</b>       | ELISA, Protein Array                                                   |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined. |
