

# Product Datasheet

## **LXR beta/NR1H2 Antibody (LXRB/2731) [mFluor Violet 500 SE]**

**NBP3-08914MFV500**

Unit Size: 0.1 ml

Store at 4C in the dark.

LXR beta/NR1H2 Antibody (LXRB/2731) [mFluor Violet 500 SE]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | LXRB/2731                                                                                   |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2c Kappa                                                                                 |
| Conjugate           | mFluor Violet 500 SE                                                                        |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                                                                                                                       |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                                                                                                                                 |
| Gene ID             | 7376                                                                                                                                                                                                                                  |
| Gene Symbol         | NR1H2                                                                                                                                                                                                                                 |
| Species             | Human                                                                                                                                                                                                                                 |
| Immunogen           | Recombinant full-length human LXR beta/NR1H2 protein (Uniprot: P55055)                                                                                                                                                                |
| Notes               | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Protein Array                                                   |
| Recommended Dilutions       | ELISA, Protein Array                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
