**NBP3-09383-100ul**

MLF1 Interacting Protein Antibody - BSA Free

**Product Information**

|                                |                                                                                        |
|--------------------------------|----------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 100 ul                                                                                 |
| <b>Concentration</b>           | 0.5 mg/ml                                                                              |
| <b>Storage</b>                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| <b>Clonality</b>               | Polyclonal                                                                             |
| <b>Preservative</b>            | 0.09% Sodium Azide                                                                     |
| <b>Purity</b>                  | Affinity purified                                                                      |
| <b>Buffer</b>                  | PBS, 2% Sucrose                                                                        |
| <b>Target Molecular Weight</b> | 35 kDa                                                                                 |

**Product Description**

|                    |                                                                                                                                                                                                 |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                                                                                                                                                          |
| <b>Gene ID</b>     | 79682                                                                                                                                                                                           |
| <b>Gene Symbol</b> | CENPU                                                                                                                                                                                           |
| <b>Species</b>     | Human                                                                                                                                                                                           |
| <b>Immunogen</b>   | The immunogen is a synthetic peptide directed towards the C-terminal region of human MLF1 Interacting Protein (NP_078905.2). Peptide sequence ISHDKRKKSRKAIGSDTSDIVHIWCPEGMKTSDIKELNIVLPEFEKTHL |

**Product Application Details**

|                              |                        |
|------------------------------|------------------------|
| <b>Applications</b>          | Western Blot           |
| <b>Recommended Dilutions</b> | Western Blot 1.0 ug/ml |
