gAdiponectin/gAcrp30 Antibody [DyLight 488]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Polyclonal                                                                                  |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Conjugate           | DyLight 488                                                                                 |
| Purity              | Affinity purified                                                                           |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                |
|-------------------------|------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                         |
| Gene ID                 | 9370                                                                                           |
| Gene Symbol             | ADIPOQ                                                                                         |
| Species                 | Human                                                                                          |
| Specificity/Sensitivity | Based on ELISA, this antibody reacts with the alpha subunits of Human TSH, Human FSH, Human LH |
| Immunogen               | Recombinant Human gAdiponectin/gAcrp30                                                         |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.              |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA                                                    |
| Recommended Dilutions       | Western Blot, ELISA                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
