# NBP3-11185

S100A7/Psoriasin Antibody (9F3) - Azide Free

| S100A7/Psoriasin Antibody (9F3) - Azide Free |  |
|--|--|
| Product Information                          |  |
| Unit Size                                    | 50 ug  |
| Concentration                                | 0.1 mg/ml  |
| Storage                                      | Store at 4C.   |
| Clonality                                    | Monoclonal   |
| Clone  | 9F3  |
| Preservative                                 | No Preservative  |
| Isotype                                      | IgG1   |
| Purity                                       | Protein G purified   |
| Buffer                                       | 0.2 um filtered solution in PBS, 0.1% BSA  |
| Product Description                          |  |
| Host   | Mouse  |
| Gene ID                                      | 6278   |
| Gene Symbol                                  | S100A7   |
| Species                                      | Human, Rat, Canine, Rabbit, Sheep  |
| Immunogen                                    | Full length recombinant human S100A7   |
| Endotoxin Note                               | <24 EU/mg  |
| Product Application Details                  |  |
| Applications                                 | Western Blot, Functional, Immunoassay, Immunocytochemistry/<br>Immunofluorescence, Immunohistochemistry-Paraffin   |
| Recommended Dilutions                        | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin, Functional, Immunoassay  |
| Application Notes                            | Dilutions to be used depend on detection system applied. It is recommended that users test the reagent and determine their own optimal dilutions. The typical starting working dilution is 1:50. For functional studies, in vitro dilutions have to be optimized in user's experimental setting. |
