TET1 Antibody [Janelia Fluor® 635]

| Product Information         |                                                                                                                                  |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                      |
| Storage                     | Store at 4C in the dark.                                                                                                         |
| Clonality                   | Polyclonal                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                               |
| Isotype                     | IgG                                                                                                                              |
| Conjugate                   | Janelia Fluor 635                                                                                                                |
| Purity                      | Immunogen affinity purified                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                               |
| Product Description         |                                                                                                                                  |
| Host                        | Rabbit                                                                                                                           |
| Gene ID                     | 80312                                                                                                                            |
| Gene Symbol                 | TET1                                                                                                                             |
| Species                     | Human, Mouse                                                                                                                     |
| Immunogen                   | Partial recombinant human TET1 protein produced in E. coli (amino acids 1-206) [UniProt Q8NFU7].                                 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                            |
| Product Application Details |                                                                                                                                  |
| Applications                | Western Blot, Flow (Intracellular), Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin, Flow (Intracellular) |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                           |
