VISTA/B7-H5/PD-1H Antibody (MH5A) [DyLight 594]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | MH5A                                                                                        |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG Lambda                                                                                  |
| Conjugate           | DyLight 594                                                                                 |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                       |
|-------------------------|---------------------------------------------------------------------------------------|
| Host                    | Armenian Hamster                                                                      |
| Gene ID                 | 64115                                                                                 |
| Gene Symbol             | VSIR                                                                                  |
| Species                 | Mouse                                                                                 |
| Specificity/Sensitivity | This antibody specifically binds VISTA/B7-H5/PD-1H.                                   |
| Immunogen               | The antibody was generated by immunising Armenian hamsters with mVISTA/B7-H5/PD-1HIg. |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.     |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Immunohistochemistry, Block/Neutralize                          |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Block/Neutralize                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
