**NBP3-11974FR**

VISTA/B7-H5/PD-1H Antibody (mam82) [DyLight 680]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | mam82                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | DyLight 680                                                                                 |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                    |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                              |
| Gene ID                 | 64115                                                                                                                              |
| Gene Symbol             | VSIR                                                                                                                               |
| Species                 | Mouse                                                                                                                              |
| Specificity/Sensitivity | This antibody specifically binds VISTA/B7-H5/PD-1H.                                                                                |
| Immunogen               | The antibody was generated by immunising a VISTA/B7-H5/PD-1H-KO mouse with mouse VISTA/B7-H5/PD-1H Ig fusion protein and adjuvant. |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                  |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Immunohistochemistry, Block/Neutralize                          |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Block/Neutralize                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
