IL6R Antibody (D7715A7) [DyLight 594]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | D7715A7                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b Kappa                                                                                 |
| Conjugate           | DyLight 594                                                                                 |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                   |
|-------------------------|-----------------------------------------------------------------------------------|
| Host                    | Rat                                                                               |
| Gene ID                 | 3570                                                                              |
| Gene Symbol             | IL6R                                                                              |
| Species                 | Mouse                                                                             |
| Specificity/Sensitivity | This antibody is specific for murine IL6R.                                        |
| Immunogen               | This antibody was raised by immunising Lewis rats with OKT4 cells.                |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry, Block/Neutralize                                       |
| Recommended Dilutions       | Flow Cytometry, Block/Neutralize                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
