LRPAP Antibody (7F1) [DyLight 680]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 7F1                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | DyLight 680                                                                                 |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                 |
|-------------------------|-------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                           |
| Gene ID                 | 4043                                                                                            |
| Gene Symbol             | LRPAP1                                                                                          |
| Species                 | Human                                                                                           |
| Specificity/Sensitivity | This antibody is specific for human LRPAP. It does not cross-react with rabbit or murine LRPAP. |
| Immunogen               | This antibody was raised by immunising mice with human placental LRPAP.                         |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.               |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunoprecipitation         |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunoprecipitation         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
