**NBP3-12240****PDE11A Antibody**

| <b>Product Information</b> |                                                                                                                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 100 ug                                                                                                                                                                                    |
| <b>Concentration</b>       | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                               |
| <b>Storage</b>             | Store at 4C short term. Store at -20C long term. Avoid freeze-thaw cycles.                                                                                                                |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                |
| <b>Preservative</b>        | 0.02% Sodium Azide                                                                                                                                                                        |
| <b>Purity</b>              | Affinity purified                                                                                                                                                                         |
| <b>Buffer</b>              | Contains Tris, HCl/glycine buffer (pH 7.4-7.8), 30% glycerol, 0.5% BSA, along with cryo-protective agents, and HEPES (exact storage and stabilization buffer information is proprietary). |

| <b>Product Description</b> |                                                                                                       |
|----------------------------|-------------------------------------------------------------------------------------------------------|
| <b>Host</b>                | Rabbit                                                                                                |
| <b>Gene ID</b>             | 50940                                                                                                 |
| <b>Gene Symbol</b>         | PDE11A                                                                                                |
| <b>Species</b>             | Human, Mouse, Rat                                                                                     |
| <b>Immunogen</b>           | Synthetic peptide conjugated to KLH, corresponding to C terminal amino acids 454-468 of human PDE11A. |

| <b>Product Application Details</b> |                                                                                                        |
|------------------------------------|--------------------------------------------------------------------------------------------------------|
| <b>Applications</b>                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunoprecipitation |
| <b>Recommended Dilutions</b>       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunoprecipitation |
