**NBP3-12985**

CHD5 Antibody - BSA Free

**Product Information**

|                                |                                                                                                                  |
|--------------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 100 ul                                                                                                           |
| <b>Concentration</b>           | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| <b>Clonality</b>               | Polyclonal                                                                                                       |
| <b>Preservative</b>            | 0.025% Proclin 300                                                                                               |
| <b>Isotype</b>                 | IgG                                                                                                              |
| <b>Purity</b>                  | Antigen Affinity-purified                                                                                        |
| <b>Buffer</b>                  | PBS, 20% Glycerol                                                                                                |
| <b>Target Molecular Weight</b> | 223 kDa                                                                                                          |

**Product Description**

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Centrifuge briefly prior to opening.                                                                                   |
| <b>Host</b>        | Rabbit                                                                                                                 |
| <b>Gene ID</b>     | 26038                                                                                                                  |
| <b>Gene Symbol</b> | CHD5                                                                                                                   |
| <b>Species</b>     | Human                                                                                                                  |
| <b>Immunogen</b>   | Recombinant protein encompassing a sequence within the center region of human CHD5. The exact sequence is proprietary. |

**Product Application Details**

|                              |                           |
|------------------------------|---------------------------|
| <b>Applications</b>          | Western Blot              |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:3000 |

## Images

Western Blot: CHD5 Antibody [NBP3-12985] - Various whole cell extracts (30 ug) were separated by 5% SDS-PAGE, and the membrane was blotted with CHD5 antibody (NBP3-12985) diluted at 1:1000.
