p53 [p Ser6] Antibody

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.025% Proclin 300                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Antigen Affinity-purified                                                                                        |
| Buffer              | PBS (pH 7), 20% Glycerol, 1% BSA                                                                                 |

| Product Description |                                                                                                                        |
|---------------------|------------------------------------------------------------------------------------------------------------------------|
| Description         | Centrifuge briefly prior to opening.                                                                                   |
| Host                | Rabbit                                                                                                                 |
| Gene ID             | 7157                                                                                                                   |
| Gene Symbol         | TP53                                                                                                                   |
| Species             | Human                                                                                                                  |
| Immunogen           | Carrier-protein conjugated synthetic peptide surrounding phospho Ser6 of human p53. The exact sequence is proprietary. |

| Product Application Details |              |
|-----------------------------|--------------|
| Applications                | Western Blot |
| Recommended Dilutions       | Western Blot |

## Images

Western Blot: p53 [p Ser6] Antibody [NBP3-13310] - Untreated (-) and treated (+) 293T whole cell extracts (30 ug) were separated by 7.5% SDS-PAGE, and the membrane was blotted with p53 (phospho Ser6) antibody (NBP3-13310) diluted at 1:1000. The HRP-conjugated anti-rabbit IgG antibody (NBP2-19301) was used to detect the primary antibody.

Western Blot: p53 [p Ser6] Antibody [NBP3-13310] - Untreated (-) and treated (+) 293T whole cell extracts (30 ug) were separated by 7.5% SDS-PAGE, and the membrane was blotted with p53 (phospho Ser6) antibody (NBP3-13310) diluted at 1:500. The HRP-conjugated anti-rabbit IgG antibody (NBP2-19301) was used to detect the primary antibody.
