**NBP3-14081UV**

ZNF81 Antibody (PCRP-ZNF81-2C7) [DyLight 350]

| Product Information         |                                                                                                                 |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                     |
| Storage                     | Store at 4C in the dark.                                                                                        |
| Clonality                   | Monoclonal                                                                                                      |
| Clone                       | PCRP-ZNF81-2C7                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                              |
| Isotype                     | IgG2b                                                                                                           |
| Conjugate                   | DyLight 350                                                                                                     |
| Purity                      | Protein A or G purified                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                              |
| Product Description         |                                                                                                                 |
| Host                        | Mouse                                                                                                           |
| Gene ID                     | 347344                                                                                                          |
| Gene Symbol                 | ZNF81                                                                                                           |
| Species                     | Human                                                                                                           |
| Immunogen                   | Recombinant full-length human ZNF81 protein (Uniprot: P51508)                                                   |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                               |
| Product Application Details |                                                                                                                 |
| Applications                | Western Blot, ELISA, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Immunoprecipitation, Protein Array |
| Recommended Dilutions       | Western Blot, Flow Cytometry, ELISA, Immunocytochemistry/Immunofluorescence, Immunoprecipitation, Protein Array |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                          |
