RBMS2 Antibody (PCRP-RBMS2-1B6) [Janelia Fluor® 646]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | PCRP-RBMS2-1B6                                                                              |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Janelia Fluor 646                                                                           |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                       |
|---------------------|---------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                 |
| Gene ID             | 5939                                                                                  |
| Gene Symbol         | RBMS2                                                                                 |
| Species             | Human                                                                                 |
| Reactivity Notes    | 0                                                                                     |
| Immunogen           | Recombinant full-length human RBMS2 protein (Uniprot: Q15434)                         |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Flow Cytometry, Immunoprecipitation, Protein Array              |
| Recommended Dilutions       | Flow Cytometry, ELISA, Immunoprecipitation, Protein Array              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
