**NBP3-14191APC**

SURF5 Antibody (PCRP-MED22-2A7) [Allophycocyanin]

| Product Information         |                                                                                                   |
|-----------------------------|---------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.       |
| Storage                     | Store at 4C in the dark.                                                                          |
| Clonality                   | Monoclonal                                                                                        |
| Clone                       | PCRP-MED22-2A7                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                |
| Isotype                     | IgG2b                                                                                             |
| Conjugate                   | Allophycocyanin                                                                                   |
| Purity                      | Protein A or G purified                                                                           |
| Buffer                      | PBS                                                                                               |
| Product Description         |                                                                                                   |
| Host                        | Mouse                                                                                             |
| Gene ID                     | 6837                                                                                              |
| Gene Symbol                 | MED22                                                                                             |
| Species                     | Human                                                                                             |
| Reactivity Notes            | 0                                                                                                 |
| Immunogen                   | Recombinant full-length human SURF5 protein (Uniprot: Q15528)                                     |
| Product Application Details |                                                                                                   |
| Applications                | ELISA, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Immunoprecipitation, Protein Array |
| Recommended Dilutions       | Flow Cytometry, ELISA, Immunocytochemistry/Immunofluorescence, Immunoprecipitation, Protein Array |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                            |
