| <b>Product Information</b>         |                                                                                                       |
|------------------------------------|-------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 50 ug                                                                                                 |
| <b>Concentration</b>               | 1 mg/ml                                                                                               |
| <b>Storage</b>                     | Keep as concentrated solution. Aliquot and store at -20C or below. Avoid multiple freeze-thaw cycles. |
| <b>Clonality</b>                   | Polyclonal                                                                                            |
| <b>Preservative</b>                | 0.1% Sodium Azide                                                                                     |
| <b>Purity</b>                      | Immunogen affinity purified                                                                           |
| <b>Buffer</b>                      | PBS                                                                                                   |
| <b>Product Description</b>         |                                                                                                       |
| <b>Description</b>                 | Product can be stored undiluted at 4C for up to 1 month.                                              |
| <b>Host</b>                        | Rabbit                                                                                                |
| <b>Gene ID</b>                     | 23071                                                                                                 |
| <b>Gene Symbol</b>                 | ERP44                                                                                                 |
| <b>Species</b>                     | Human                                                                                                 |
| <b>Specificity/Sensitivity</b>     | Human ERP44. BLAST analysis of the peptide immunogen showed no homology with other human proteins.    |
| <b>Immunogen</b>                   | Synthetic 20 amino acid peptide from internal region of human ERP44.                                  |
| <b>Product Application Details</b> |                                                                                                       |
| <b>Applications</b>                | Immunohistochemistry, Immunohistochemistry-Paraffin                                                   |
| <b>Recommended Dilutions</b>       | Immunohistochemistry, Immunohistochemistry-Paraffin                                                   |

## Images

Immunohistochemistry-Paraffin: ERP44 Antibody [NBP3-14317] - Immunohistochemistry of formalin-fixed, paraffin-embedded human stomach after heat-induced antigen retrieval.

Immunohistochemistry-Paraffin: ERP44 Antibody [NBP3-14317] - Immunohistochemistry of formalin-fixed, paraffin-embedded human placenta after heat-induced antigen retrieval.
