**NBP3-14489****Synaptogyrin 2 Antibody**

| <b>Product Information</b> |                                                                                                       |
|----------------------------|-------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 50 ug                                                                                                 |
| <b>Concentration</b>       | 1 mg/ml                                                                                               |
| <b>Storage</b>             | Keep as concentrated solution. Aliquot and store at -20C or below. Avoid multiple freeze-thaw cycles. |
| <b>Clonality</b>           | Polyclonal                                                                                            |
| <b>Preservative</b>        | 0.1% Sodium Azide                                                                                     |
| <b>Purity</b>              | Immunogen affinity purified                                                                           |
| <b>Buffer</b>              | PBS                                                                                                   |

| <b>Product Description</b>     |                                                                                                             |
|--------------------------------|-------------------------------------------------------------------------------------------------------------|
| <b>Description</b>             | Product can be stored undiluted at 4C for up to 1 month.                                                    |
| <b>Host</b>                    | Rabbit                                                                                                      |
| <b>Gene ID</b>                 | 9144                                                                                                        |
| <b>Gene Symbol</b>             | SYNGR2                                                                                                      |
| <b>Species</b>                 | Human                                                                                                       |
| <b>Reactivity Notes</b>        | Expected reactivity based on percent sequence identity: Gibbon, Monkey, Marmoset (82%)                      |
| <b>Specificity/Sensitivity</b> | Human Synaptogyrin 2. BLAST analysis of the peptide immunogen showed no homology with other human proteins. |
| <b>Immunogen</b>               | Synthetic 17 amino acid peptide from N-Terminus of human Synaptogyrin 2.                                    |

| <b>Product Application Details</b> |                                                     |
|------------------------------------|-----------------------------------------------------|
| <b>Applications</b>                | Immunohistochemistry, Immunohistochemistry-Paraffin |
| <b>Recommended Dilutions</b>       | Immunohistochemistry, Immunohistochemistry-Paraffin |
