sFRP-4 Antibody (S01-2C2)

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| Clonality           | Monoclonal                                                                                  |
| Clone               | S01-2C2                                                                                     |
| Preservative        | 0.01% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Purity              | Affinity purified                                                                           |
| Buffer              | 50mM Tris-Glycine (pH 7.4), 0.15M NaCl, 40% Glycerol, 0.05% BSA                             |

| Product Description |                                                        |
|---------------------|--------------------------------------------------------|
| Host                | Rabbit                                                 |
| Gene Symbol         | SFRP4                                                  |
| Species             | Human, Mouse, Rat                                      |
| Immunogen           | A synthetic peptide of human sFRP-4 (Uniprot#: Q6FHJ7) |

| Product Application Details |                                                                                          |
|-----------------------------|------------------------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunohistochemistry-Paraffin, Immunofluorescence                   |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry-Paraffin 20 ug/ml, Immunofluorescence 20 ug/ml |

**Images**

Western Blot: sFRP-4 Antibody (S01-2C2) [NBP3-14974] - Western blot detection of sFRP-4 in K562, 3T3, HeLa cell lysates using sFRP-4 Rabbit mAb (1:1000 diluted). Predicted band size: 40kDa. Observed band size: 53-55kDa.
