IFT88 Antibody (S01-5D7)

| Product Information     |                                                                                             |
|-------------------------|---------------------------------------------------------------------------------------------|
| Unit Size               | 100 ul                                                                                      |
| Concentration           | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| Clonality               | Monoclonal                                                                                  |
| Clone                   | S01-5D7                                                                                     |
| Preservative            | 0.01% Sodium Azide                                                                          |
| Isotype                 | IgG                                                                                         |
| Purity                  | Affinity purified                                                                           |
| Buffer                  | 50mM Tris-Glycine (pH 7.4), 0.15M NaCl, 40% Glycerol, 0.05% BSA                             |
| Target Molecular Weight | 94 kDa                                                                                      |

| Product Description |                                                       |
|---------------------|-------------------------------------------------------|
| Host                | Rabbit                                                |
| Gene Symbol         | IFT88                                                 |
| Species             | Human, Mouse, Rat                                     |
| Immunogen           | A synthetic peptide of human IFT88 (Uniprot#: Q13099) |

| Product Application Details |                                                                                                             |
|-----------------------------|-------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                    |
| Recommended Dilutions       | Western Blot, ELISA 1:100-1:2000, Immunohistochemistry 1:10-1:500, Immunohistochemistry-Paraffin 1:10-1:500 |

**Images**

Western Blot: IFT88 Antibody (S01-5D7) [NBP3-15045] - Western blot detection of IFT88 in Jurkat, C6, Hela cell lysates using IFT88 Rabbit mAb (1:1000 diluted). Predicted band size: 94kDa. Observed band size: 94kDa.
