**NBP3-15046-100ul****IGFBP-1 Antibody (S06-6J8)**

| Product Information     |                                                                                             |
|-------------------------|---------------------------------------------------------------------------------------------|
| Unit Size               | 100 ul                                                                                      |
| Concentration           | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| Clonality               | Monoclonal                                                                                  |
| Clone                   | S06-6J8                                                                                     |
| Preservative            | 0.01% Sodium Azide                                                                          |
| Isotype                 | IgG                                                                                         |
| Purity                  | Affinity purified                                                                           |
| Buffer                  | 50mM Tris-Glycine (pH 7.4), 0.15M NaCl, 40% Glycerol, 0.05% BSA                             |
| Target Molecular Weight | 28 kDa                                                                                      |

| Product Description |                                                         |
|---------------------|---------------------------------------------------------|
| Host                | Rabbit                                                  |
| Gene Symbol         | IGFBP1                                                  |
| Species             | Human                                                   |
| Immunogen           | A synthetic peptide of human IGFBP-1 (Uniprot#: P08833) |

| Product Application Details |              |
|-----------------------------|--------------|
| Applications                | Western Blot |
| Recommended Dilutions       | Western Blot |

**Images**

Western Blot: IGFBP-1 Antibody (S06-6J8) [NBP3-15046] - Western blot detection of IGFBP-1 in human placenta lysates using IGFBP-1 antibody. Predicted band size: 28kDa. Observed band size: 28kDa.
