MFAP3L Antibody - BSA Free

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.02% Sodium Azide                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Affinity purified                                                                                                |
| Buffer              | PBS, pH 7.2, 40% glycerol                                                                                        |

| Product Description |                                                                                                                                                                                                   |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit MFAP3L Antibody - BSA Free (NBP3-17518) is a polyclonal antibody validated for use in WB and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                            |
| Gene ID             | 9848                                                                                                                                                                                              |
| Gene Symbol         | MFAP3L                                                                                                                                                                                            |
| Species             | Human                                                                                                                                                                                             |
| Immunogen           | This antibody was developed against Recombinant Protein corresponding to amino acids:<br>QEGGQFEVKDVEETELSAEHSPETAEPSTDVTSTELTSEEPTPVEVPDKVLPP<br>AYLEATEPAVTHDKNTCIYESH                          |

| Product Application Details |                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence                                                  |
| Recommended Dilutions       | Western Blot 0.04-0.4 ug/ml, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml                      |
| Application Notes           | Immunocytochemistry/Immunofluorescence, PFA/Triton X-100 is recommended for fixation/permeabilization. |

## Images

Western Blot: MFAP3L Antibody [NBP3-17518] - Lane 1: Marker [kDa] 250, 130, 95, 72, 55, 36, 28, 17, 10; Lane 2: RT4; Lane 3: U-251 MG; Lane 4: Human Plasma; Lane 5: Liver; Lane 6: Tonsil

Immunocytochemistry/Immunofluorescence: MFAP3L Antibody [NBP3-17518] - Staining of human cell line RT4 shows localization to nucleoplasm & cell junctions.
