BromoTag Antibody [DyLight 405]

| Product Information         |                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                               |
| Storage                     | Store at 4C in the dark.                                                                                                  |
| Clonality                   | Polyclonal                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                        |
| Conjugate                   | DyLight 405                                                                                                               |
| Purity                      | Immunogen affinity purified                                                                                               |
| Buffer                      | 50mM Sodium Borate                                                                                                        |
| Product Description         |                                                                                                                           |
| Host                        | Sheep                                                                                                                     |
| Species                     | Non-species specific                                                                                                      |
| Immunogen                   | Partial recombinant protein made to the second bromodomain of Brd4 with a L387A mutation (see Bond, et al PMID 34652918). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                         |
| Product Application Details |                                                                                                                           |
| Applications                | Western Blot                                                                                                              |
| Recommended Dilutions       | Western Blot                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                    |
